This is to give adequate room for students to meticulously check each script of subjects taken and their results so as to lodge complaints where necessary with their subject teachers. Coming Late to School

Few students still come late to school in spite of the continuous sensitisation against this. All students are expected to be in school latest 8AM and be part of the daily morning assembly.

We have discovered that the late-coming of students to school is mostly caused by parents. Consequently, we plead with parents who drop their children in school daily to be alive to this responsibility and ensure they drop them in school early.

Student's Dress Code (School Uniform and Shoes; House Wears for Boarders)

A handful of our students still come to school in uniforms and house wears they have outgrown. We have been sending such students home (day students) while boarders are not allowed in classes until parents/guardians make replacements. Girls' **gowns should not be tight-fitting** and should cover their knees while boys' shorts should be in the range of the knee cap. Senior boys are **not permitted** to come to school in jeans or tightly-sewn trousers otherwise known as 'pencil'. The recommended colour of shoes is black; **no other colour is allowed**. The sole of shoes should be black as well. **Only white or black pairs of socks are allowed. Ankle socks are not allowed**. Shoes should be flat and not high-heeled. Boots are not allowed. Shoes and socks that do not conform to the school rules and regulations will be confiscated. Boys'

haircut should be **very low and even** and **girls on afro must have their haircut even**. Other styles of haircut apart from this are not allowed in the School.

Electronic Gadgets in School

It is saddening that despite sensitizing our students against bringing phones to school, some of our parents still give their children phones to bring to school. This is against the school policy. This is a reminder to parents that **the School will not return any confiscated gadget**. The seized items will be donated during Charity Programme to the less privileged.

Boarders Dining Etiquette

As a matter of necessity, each boarder student should resume to school with sufficient cutlery. No boarder will be allowed to lend or borrow any type of cutlery.

Donations

1. The 1977-1982 set of ISI donated 160 new desks and 320 chairs to the school. These pieces of furniture are now in the eight classrooms in SSS2. The management, staff and students appreciate this generous donation. Students are advised to take advantage of these donations.
2. One of our parents, Mrs Toyin Ogedengbe, a certified Character-Based Relationship and Sexual Integrity educator, donated two copies of her latest book, *Embracing Me*, to the school. The book is written to help teenagers build their self-esteem.

ISI appreciates these donations and all other donations received in the course of this session.
