JSS1 Students

Parents/Guardians of this category of students, particularly day students, are advised to create time for their children/wards and ensure their notebooks are thoroughly checked each day when they return from school. The students also need to be guided in doing their assignments, and turning in same on time. The JSS1 students, not too long ago, were admitted into the secondary school and still need a lot of supervision to excel in their academics. This task should not be left to the School alone. Therefore, the home needs to be alive to this duty/responsibility to complement the effort of the School in the developmental progress of the students.

Parents/Guardians of SS3 students are strongly advised to encourage their children/wards to join immediately and be punctual as the preparation period is short.
